Once upon a time...

Our two heroes walked on the street

# Hey, what happens to the street?

Our two heroes walked on a  
strange rainbow colored street

I think we are in a parallel  
dimension!

How did we get here? I've seen  
no wormhole

I think something transported us  
over here

Now, then let's check out this  
dimension!

# Our two heroes then met...

Hey, it's my girlfriend! How did she get here?

Annerike looked different...

Hey Richel, she looks kind of  
different!

The thing you see is parallel-  
dimension crossing love!

Then...

AAAAHHH! She bit me!

I think that in this dimension, she  
is some kind of monster!

AAAAHHH! She bites me again!

I will kill her for you!

Joost kills her...

# Thanks!

I think we just met this  
dimension's EVIL!

Yes. Evil certainly is mighty in  
this dimension!

Would have we been mere  
Earthlings, she would have killed  
us!

Yes! It really pays off to be as strong as we are!

So, because we are strong and  
EVIL is strong, lets join EVIL!

Good idea! That certainly is  
relaxed!

Now, then lets go contact the  
emperor of EVIL!

On the way killing some good  
guys!

Then...

OH NO! It is Geert, my twin  
brother!

Shit! Look what happens to him!

A monster comes out of Geert

OH NO! My brother has died  
because of EVIL!

Let's destroy EVIL in this  
dimension to avenge ourselves!

YES! We will destroy EVIL to  
the utterly root!

Later in the game...

# Our heroes met a girl in the forest

She rose out of the lake, but her  
hair was not wet, nor were her  
pants....

I will give you a magic armor!

Why would I need one?

To protect you from EVIL!

O yes, I forgot!

But why would I need one?

To protect you from EVIL!

Huh??

To make you more attractive to  
women who fancy men carrying  
magic armors!

O yes, I forgot!

Our heroes received their magic  
armors

I bless you to succeed in your  
quest to destroy EVIL!

# How?

With these magic words!

# Which magic words?

Yes, I did not hear you say  
something like UYKLFROLH

I have the power to bless people  
without saying UYKLFROLH!

Thanks for your blessing!

Thanks a lot!

That you may kill many monsters  
serving EVIL!

Later in the game...

Huh? Who's that?

It is I, Geert! Your brother!

Geert? Are you the EMPEROR  
OF EVIL?

Yes I am the ultimate EVIL that  
caused all shitty things!

But you died!

Yes! We saw a bratwurst coming  
out of you head!

That was not me, but a clone of  
me!

Huh?

I let a clone of me die, attempting  
to kill Joost!

How would Joost die if you let a  
clone die?

I thought that Joost would cry  
himself to death!

Luckily I survived this vile  
assassination!

Yes! Instead it let Joost swear to  
destroy EVIL to the utterly root!

Yes! Because of your ‘death’, I  
swore to destroy you!

Not if I destroy you first!

Not if I destroy you first!

Not if I destroy you first!

Not if I destroy you first!

Not if I destroy you first!

Not if I destroy you first!

The final battle begins...
